

A range of modular standardized products in three sizes, WING 4 for 2 double-sided pivoting whiteboard surfaces on the left and right side of the touchscreen. WING 6 for 2 fixed whiteboard surfaces and 2 double-sided pivoting whiteboards, two on each side of the touchscreen.

The WING touchscreen whiteboard frame is mounted on the BalanceBox®650 height adjustable mount, no electric connection needed for the height adjustment. The high quality whiteboard surfaces allow the use of magnets for posting notes, the fixed rear whiteboards each side on the WING 6 can be unlocked and pivoted away for easy access to the rear of the touchpanel.

Technical specifications
